REVA UNIVERSITY
Bengaluru, India

Department of Agricultural Engineering

Organizing

1st International Conference

on

"Recent Advances in Agricultural Engineering for Sustainable Farming""

RAAESF-2026

Date: 10th&11th July 2026

Venue:

REVA University, Bangalore, India

www.reva.edu.in

About the Conference:

1st International Conference on "**Recent Advances in Agricultural Engineering for Sustainable Farming" (RAAESF-2026)**" will be held at REVA University, Bengaluru, India.

RAAESF-2026 is a prestigious platform designed to bring together a diverse group of academicians, researchers, industry professionals, and students to discuss and explore recent advances in Agricultural Engineering. This international conference aims to foster collaboration and innovation across different disciplines, contributing to the advancement of knowledge and technology in this rapidly evolving industrial landscape. All the selected papers will be published in Scopus indexed and UGC journals.

Theme of the conference

Farm Mechanization and Automation:

- Tillage and traction machinery
- Planting, transplanting, plant protection, harvesting and threshing machinery
- Precision agriculture technologies
- Agricultural drones, AI, robotics and mechatronics
- Ergonomics and human safety in farm operations

Post-Harvest and Secondary Agriculture Technologies

- Sensor-based approaches in post-harvest engineering
- Novel and emerging post-harvest technologies in food processing
- Dairy, meat, poultry, fish and fibre processing technologies
- Utilization and value addition of food processing by-products

Next-Generation Agricultural Land and Water Technologies

- Geospatial technologies for agricultural resource management
- Aquifer management and groundwater sustainability
- Applications of AI, IoT and Machine Learning for efficient land and water management
- Smart watershed monitoring, management and modelling
- Vertical farming and protected cultivation technologies

Renewable & Green Energy Resources

- Renewable energy applications in agriculture and agro-industries
- Solar-powered agricultural technologies
- Biomass energy and biofuel production technologies
- Clean and green energy systems
- Energy transition for sustainable agriculture

Important Dates

• Last date for submission of Abstract	:	05/04/2026
• Intimation of abstract acceptance	:	10/04/2026
• Last date for submission of Full-Length paper	:	15/05/2026
• Acceptance of full-length paper	:	31/05/2026
• Submission of Camera-Ready paper	:	15/06/2026
• Registration	:	30/06/2026

Registration Fee

Registration Details

· Professionals/Academicians : Rs.1500 (USD17$)

· Research Scholars : Rs.1000(USD11$)

· PG Students : Rs.1000(USD11$)

· UG Students :Rs. 750(USD 9$)

· Industry Participants : Rs.2000(USD22$)

Payment Link: The link will be shared through email.

The Participants of the conference will be provided conference kits, working meals, copy of abstracts of conference proceeding and a certificate.

About the REVA University, Bengaluru, India

REVA University is a State Private University established in Karnataka State under the Government of Karnataka Act No. 13 in the year 2012 in Bengaluru, the IT capital of India. REVA University, recognised by the University Grants Commission (UGC) and approved by the All India Council for Technical Education (AICTE), has an A+ grade from NAAC, NBA and NIRF.

REVA University prides itself in contributing to every student's holistic development. The University currently offers 37 full- time undergraduate programmes, 28 full-time postgraduate programmes, 19 Ph.D. programmes, and certification and diploma programmes. The University offers programmes in Engineering, Architecture, Science and Technology, Commerce, Management Studies, Law, Arts & Humanities, and Performing Arts. Courses are offered in Certificate/Diploma and Post Graduate Diploma too. REVA University facilitates

research leading to a Doctoral Degree in all disciplines. The programmes offered by REVA University are well-planned and designed based on methodical analysis and research with emphasis on knowledge assimilation, practical applications, hands-on training, global and industrial relevance, and their social significance.

Organising committee:

1. Chief Patrons
Dr. P Shyama Raju
Chancellor, REVA University
Mr. Umesh S. Raju
Pro Chancellor, REVA University

2. Patrons

Dr. Sanjay R. Chitnis

Vice Chancellor, REVA University

Dr. Dhanamjaya M
Registrar, REVA University

3. General Chair
Dr. Rajashekhar C. Biradar
Pro Vice Chancellor, REVA University

Dr. K. S. Narayanaswamy
Pro Vice Chancellor, REVA University

4. Co- General Chair
Dr Diwakar B P

Dean, Research and Innovation, REVA University
Dr. Raghu C N
Dean, Engineering & Technology, REVA University

5. Chairman- RAAESF-2026
Dr. Bhavana B
Director-School of Civil Engineering, REVA University
Dr. Mahesh L
Director-School of Mechanical Engineering, REVA University

6. Convenor
Dr. Shashikumar
HoD-Department of Agricultural Engineering, REVA University

7. Co Convenor
Dr. Madhusudhan B S

Assistant Professor, Department of Agricultural Engineering, REVA University

8. Secretary

Dr. Shrikanth

Assistant Professor,

9. Publication Chair

Dr. Shriramulu

Assistant Professor,

Department of Agricultural Engineering, REVA University

Dr. Manjunatha

Assistant Professor,

Department of Agricultural Engineering, REVA University

Dr. Stephan

Assistant Professor,

Department of Agricultural Engineering, REVA University

Technical Advisory Committee:

Mr. Joshua Olaoye, Nigeria National President, Institute of Agri. Engineering, Nigeria
Dr. Brijesh Tiwari, UCD school of Agriculture & Food Science, Dublin, Ireland
Dr. A. Srinivasulu, Texas A&M, USA
Dr. Lalit Verma, Former President, ASABE, University of Arkansas, USA
Dr. S.N. Jha, Deputy Director General (Agricultural Engineering), Indian Council of Agricultural Research (ICAR), New Delhi
Prof. Palanimuthu V, Director, National Institute of Food Technology, Entrepreneurship and Management, Thanjavur (NIFTEM-T)
Dr. K. S. Rajashekarappa, Special Officer, College of Agricultural engineering, University of Agricultural Scineces, GKVK, Bangalore
Dr. M.S. Ayyanagowdar, Dean (Ag. Engg.), College of Agricultural Engineering, University of Agricultural Scineces, Raichur
Dr. Sharanagouda Hiregoudar, Professor & Head, College of Agricultural Engineering, University of Agricultural Scineces, Raichur
Prof. A.K. Shrivastava, Dean, JNKVV, Jabalpur
Dr. M. Veerangouda, Professor & former Registrar, College of Agricultural Engineering, UAS, Raichur
Dr. Anantachar, Former Dean, College of Agricultural Engineering, University of Agricultural Scineces, Raichur
Dr. Sushilendra, Assistant professor & Head, FMPE, College of Agricultural Engineering, UAS, Raichur
Dr. K.V. Prakash, Professor & Head, REE, College of Agricultural Engineering, University of Agricultural Sciences, Raichur
Dr. D.K. Singh, former Professor, Dept. of Agricultural Engineering, IARI, New Delhi
Dr. Senthil Kumaran G, Principal Scientist, Division of Post Harvest Technology & Agricultural Engineering, Indian Council of Agricultural Research (ICAR)-IIHR, Hesaraghatta, Bangalore.

Dr. C. T. Ramachandra, Professor, College of Agricultural engineering, University of Agricultural Sciences, GKVK, Bangalore

Dr Roaf Ahmad Parray, Scientist, Devision of Agricultural Engineering, ICAR- Indian Agricultural Research Institute, New Delhi.
Dr. Chethan C.R, Senior Scientist, Indian Council of Agricultural Research (ICAR), Assam
Dr. Manjunath K, Scientist, Indian Council of Agricultural Research (ICAR)-DCR, Puttur
Dr. G. C. Jayashree, Associate Professor & Head, college of Agricultural engineering, University of Agricultural Sciences, GKVK, Bangalore
Dr. P. Dhanachezhiyan, Assistant Professor (FM), FM&PE, AEC&RI, Tamil Nadu Agricultural University, Coimbatore
Dr. Venu S A**,** Asst. Professor (PFE), College of Agriculture Science, Hassan
Dr. Srinivasa D J, Asst. Professor (FM), Banaras Hindu University, Varanasi

Publishing Partners:

All accepted abstracts will be published in the conference proceedings. Selected full-length papers, after peer review and necessary revisions, will be considered for publication in a **Scopus-indexed Q-rated journal**. **The publication charges will be borne by the authors**.

1. Journal of Environmental Nanotechnology (Mechanical Sciences, Interdisciplinary) – Q4 rated Scopus indexed journal
